\* Some masters courses may require academic results that are higher than results stated in this document.

This information is accurate as of 3 November, 2016. Victoria University reserves the right to adjust these at any time. Qualification standards displayed on this page are indicative only, and achieving one of these goals does not guarantee a placement into a Victoria University course. The entry requirements should only be applied after it has been established the degree the applicant holds as an entry qualification is equivalent to an Australian degree according to the AEI- NOOSR country education profiles for the country where the qualification has been awarded. Meeting the entry requirement does not waive the requirement for the entry degree to be assessed as equivalent to an Australian degree.
