1: MPhil in African Studies

Students admitted to the MPhil in African Studies may be liable for additional costs associated with research-related travel and/or fieldwork expenses, depending on their chosen dissertation project.

2: PhD in Antarctic Studies

Certain projects may require additional funds for fieldwork or laboratory costs. In some cases students may need to contribute to these costs.

3: MAST in Applied Mathematics

The M.A.St. course is treated as an undergraduate course for fee purposes and Overseas M.A.St students are also charged the undergraduate College fee, which varies from College to College and which is not yet determined for admission in 2015-16. The maximum level for 2014-15 is £7,719. The *estimated* financial liability for the overseas college fee for admission in 2015-6 is £8105, which is charged in addition to the University Composition Fee.

4: MPhil in Archaeological Research

Additional costs may be incurred in relation to fieldwork or research trips. Applicants should discuss any additional costs with their potential supervisor prior to application.

5: MPhil in Archaeology

Additional costs may be incurred in relation to fieldwork or research trips. Applicants should discuss any additional costs with their potential supervisor prior to application.

6: PhD in Archaeology

Additional costs may be incurred in relation to fieldwork or research trips. Applicants should discuss any additional costs with their potential supervisor prior to application.

7: MPhil in Architecture and Urban Design

Any full-time student eligible for Home/EU fees who started their Part 1 course before 1 September 2012 will be treated as an existing student for the duration of the course and will be subject to different fees from those listed above. This will be the case even if they switch institutions between Part 1 and Part 2 as long as they remain in the UK, do not change their mode of study (eg from full to part-time), and do not have a gap of more than 3 years after completing Part 1. Contact grad.enquiries@aha.cam.ac.uk if you think that you may be eligible to be charged 'old regime' fees.

Students are expected to fund their own materials and equipment; eg paper and print

8: MPhil in Architecture and Urban Studies

Students have to cover the cost of printing although the department subsidizes printing for all students. Other costs include voluntary trips to conferences, usually within the United Kingdom. Sometimes, field trips are useful in order to carry out research. The university offers bursaries for graduate students to give papers at conferences and go on field trips. Bursaries are awarded on a competitive basis and may not cover the full cost of the trip. Students must be prepared to buy books and other basic working material (such as stationery).

9: MPhil in Assyriology

Additional costs may be incurred in relation to fieldwork or research trips. Applicants should discuss any additional costs with their potential supervisor prior to application.

10: MAST in Astrophysics

The M.A.St. course is treated as an undergraduate course for fee purposes and Overseas M.A.St students are also charged the undergraduate College fee, which varies from College to College and which is not yet determined for admission in 2015-16. The maximum level for 2014-15 is £7,719. The *estimated* financial liability for the overseas college fee for admission in 2015-6 is £8105, which is charged in addition to the University Composition Fee.

11: MPhil in Biological Anthropological Science

Additional costs may be incurred in relation to fieldwork or laboratory work, depending on the applicant's specific research interests. Applicants should discuss any additional costs with their potential supervisor prior to application.

12: PhD in Biological Anthropology

Additional costs may be incurred in relation to fieldwork or laboratory work, depending on a student's research interests. Applicants should discuss any additional costs with their potential supervisor prior to application.

13: MPhil in Biological Science (Zoology)

Additional research costs are likely (e.g. lab consumables or fieldwork), but the amount will depend on the nature of the project. Applicants should discuss requirements with the prospective supervisor, who will be asked to confirm how these costs will be met prior to a conditional offer being made.

14: MPhil in Bioscience Enterprise

Additional Costs: £ 2,000

The additional cost is for optional activities and includes funds for:

1. Expenses incurred in the UK (company visits, travel, conference attendance, miscellaneous expenses): £500
2. Expenses relating to a study tour to the USA (travel and accommodation): £1500 (which includes a flight allowance of £400).

15: Executive Master of Business Administration

Additional Costs: £ 4,500

Estimated £4,500 for:

- Accommodation during the weekend sessions
- Flights for the International Business Study Trip

16: MPhil in Computational Biology

This course involves a mandatory internship. Students are advised that the Department does not provide funding to cover any costs incurred as a result of carrying out this internship (eg. travel costs). Those students who undertake internships outside of Cambridge will be expected to meet any additional costs themselves, unless arrangements can be made with the host organisation. If working away, the costs of returning to Cambridge in order to deliver the final assessed presentation will also need to be met by the student.

17: PhD in Education

If students are conducting fieldwork there will normally be expenses associated with this. These will vary, depending on the nature and location of the fieldwork.

18: Doctor of Education

If students are conducting fieldwork there may be expenses associated with this. These will vary, depending on the nature and location of the fieldwork.

The Doctor of Education is a part-time course and the University Composition Fee will increase annually subject to inflation.

19: Master of Education (Arts, Creativity, Education and Culture)

The Master of Education is a part-time course and the University Composition Fee will increase annually subject to inflation.

20: Master of Education (Child and Adolescent Psychotherapeutic Counselling)

Additional Costs: £ 975

Please note that this accredited course charges a supplementary programme fee due to the additional teaching hours provided on the course.

21: MPhil in Education (Child and Adolescent Psychotherapeutic Counselling)

Additional Costs: £ 975

Please note that this accredited course charges a supplementary programme fee due to the additional teaching hours provided on the course.

22: Master of Education (Critical Approaches to Children's Literature)

The Master of Education is a part-time course and the University Composition Fee will increase annually subject to inflation.

23: Master of Education (Educational Leadership and School Improvement)

The Master of Education is a part-time course and the University Composition Fee will increase annually subject to inflation.

24: Master of Education (Educational Research)

25: Master of Education (Perspectives on Inclusive and Special Education)

The Master of Education is a part-time course and the University Composition Fee will increase annually subject to inflation.

26: Master of Education (Primary Education)

The Master of Education is a part-time course and the University Composition Fee will increase annually subject to inflation.

27: MPhil in Education (Psychology and Education)

Additional Costs: £ 1,217

The Psychology and Education Masters in the Faculty of Education is accredited as a graduate conversion course by the British Psychological Society (BPS), provided students complete work in addition to the Masters during their time with us. This additional element carries an additional fee of £1217 for the course. Graduate basis for chartered membership (GBC), granted by the BPS, allows you to proceed onto courses offering professional training as a Chartered Psychologist (for example, educational or clinical psychology). If you are not planning to become a chartered psychologist in the UK then GBC is not a necessary element for your Masters work with us, so you can simply follow the Psychology and Education Masters without the additional BPS element and the additional fee will not be payable.

30: Master of Education (Researching Practice)

The Master of Education is a part-time course and the University Composition Fee will increase annually subject to inflation.

31: MPhil in Egyptology

Additional costs may be incurred in relation to fieldwork or research trips. Applicants should discuss any additional costs with their potential supervisor prior to application.

32: MPhil in Geography

Certain projects may require additional funds for laboratory costs or field-work costs.

<http://www.geog.cam.ac.uk/facilities/laboratories/prices/> Applicants should select the MPhil in Geography when making their application. Overseas (non-EU) applicants will need to be aware that different conditions apply depending on the topic of the research project. The department will decide which category your application falls into. This will be either Natural Science/Physical Geography, which carries the Science fee and requires an ATAS statement, or Social Science and Humanities/Human Geography, which carries the Arts fee and does not need an ATAS statement.

33: PhD in Geography

Certain projects may require additional funds for laboratory costs or field-work costs. There is information about the Department of Geography laboratory and equipment costs on the Geography website. <http://www.geog.cam.ac.uk/facilities/laboratories/prices>

34: MPhil in Industrial Systems, Manufacturing, and Management

Additional Costs: £ 4,000

There is an additional fee covering the cost of company visits, overseas study tour, lodging for company projects and leadership courses outside of Cambridge.

35: MPhil in Latin American Studies

Students wishing to undertake research or fieldwork in Latin America will incur costs for flights, accommodation and subsistence. There are sources of funding available to students to apply to for research trips, e.g. the Simon Bolivar Fund Committee and the Santander Student Travel Grants scheme, but students should not expect all of the costs of their research trip to be covered. If you have any concerns about this please speak to a member of CLAS staff before applying noting that research abroad is not a mandatory part of the MPhil course.

36: MAST in Materials Science

The M.A.St. course is treated as an undergraduate course for fee purposes and Overseas M.A.St students are also charged the undergraduate College fee, which varies from College to College and which is not yet determined for admission in 2015-16. The maximum level for 2014-15 is £7,719. 38: MD (Doctor of Medicine)

The fee for the entire course is £7,035 but can be paid in five equal instalments of £1,407. Any outstanding balance is payable before submission of the dissertation.

39: PhD in Medical Science (MRC Cancer Unit)

Some students may be liable for additional bench fees to support access to laboratory facilities; applicants will be informed of these fees prior to offer.

40: MPhil in Medical Science (MRC Cancer Unit)

Some students may be liable for additional bench fees to support access to laboratory facilities; applicants will be informed of these fees prior to offer

41: MPhil in Medical Science (Psychiatry)

Research related costs per academic year may reach £5000, depending on the project. This includes equipment, books, IT, photocopying, travel for conferences and/or fieldwork costs. Supervisors are often able to partially contribute to these costs depending on the financial resources available. When not possible, and research related costs are not specifically included in your stipend, or you are self-funded, you will usually be expected to raise the associated research costs yourself and you will need to provide evidence that this will be possible. In some cases research costs may be much higher, and you should agree with your supervisor what an appropriate amount might be or consider a more feasible project before signing the Financial Undertaking Form.

42: MPhil in Medical Science (Radiology)

Additional Costs: £ 2,000

The Department reserves the right to charge up to £2,000 in bench fees to cover the costs incurred for, e.g., IT and research expenditure not otherwise covered by an external funding source (such as a grant) - for instance, where a student is self-funding.

43: MPhil in Medical Science (Surgery)

Additional Costs: £ 15,000

Minimum £15,000 per annum for bench fees

44: MPhil in Micro and Nanotechnology Enterprise

Students should be aware that they will need to be available in Cambridge for up to four weeks after the hand-in date for their project dissertation (usually mid July) for a viva voce examination. This will mean that additional living costs may be incurred.

45: PhD in Multi-disciplinary Gender Studies

Additional funds may be needed for fieldwork.

46: MPhil in Music Studies

Students taking Ethnomusicology or opting to carry out field work are advised to make additional financial provision of up to £1000. Students taking the Performance Studies track may get to take a recital option, which requires additional financial provision for lessons at an approximate additional cost of £1,200.

47: MAST in Physics

The M.A.St. course is treated as an undergraduate course for fee purposes and Overseas M.A.St students are also charged the undergraduate College fee, which varies from College to College and which is not yet determined for admission in 2015-16. The maximum level for 2014-15 is £7,719. The *estimated* financial liability for the overseas college fee for admission in 2015-6 is £8105, which is charged in addition to the University Composition Fee.

48: PhD in Polar Studies (Scott Polar Research Institute)

Certain projects may require additional funds for laboratory and field work costs.

49: PhD in Psychiatry

The Department reserves the right to charge up to £2,000 p.a. in bench fees to cover the costs incurred for, e.g., IT and research expenditure not otherwise covered by an external funding source (such as a grant) - for instance, where a student is self-funding.

52: MPhil in Social Anthropology

Students opting to undertake fieldwork as part of their dissertation research may incur additional costs for travel and equipments. Such students are advised to make additional financial provision for this.

53: MRes in Social Anthropology

Students opting to undertake a fieldwork-based dissertation may incur additional costs for travel and equipment. Such students are advised to make appropriate financial provision for this prior to commencing the course.

54: PhD in Social Anthropology

All students undertake 12-18 months fieldwork during which they may incur additional costs for travel, maintenance and equipment. Students are able to apply to the University's fieldwork fund for assistance in meeting these additional costs and a refund of up to 80% of the University Composition Fee during terms of leave to work away.

55: PhD in Surgery

Additional Costs: £ 15,000

Minimum £15,000 per annum for bench fees

56: MPhil in Technology Policy

Additional Costs: £ 1,000

In addition to the University Composition Fee and College fees, an additional fee is required. This additional fee covers the cost of a three-day programme in Brussels on European institutions, a programme of visits to Parliament and Whitehall and to leading public and private sectors organisations in London and elsewhere in the UK.

57: MPhil in Veterinary Science

Not normally applied. If, exceptionally, a student proposes a very costly project not funded through the Department's research income and a supervisor can be found for this project, an appropriate level of additional fee may be required.

58: PhD in Zoology

You are likely to also need funding towards your research costs, which will depend on the exact nature of your project.
