and
 - b. the work for which credit is granted is both relevant and of a satisfactory standard.
- 2.3 Any credit granted for work undertaken within a higher degree by research program will reduce the RTS and candidature expiry dates, whilst any credit granted for work undertaken within a coursework program will reduce the candidature expiry date only. Where the candidate is a scholarship holder, the scholarship expiry date(s) will be reduced in parallel with the candidature expiry date.
- 2.4 Any application for credit must be approved by the Adelaide Graduate Centre to permit for the relevant adjustments to be made.

- 5.4 The candidate shall present the context and importance of the research at a School / Discipline seminar prior to thesis submission.

6 Required program of activities at the commencement of candidature

- 6.1 Each candidate (including those on remote candidature) will be enrolled on a provisional basis for the first 12 months of the degree.
- 6.2 A major review of progress after 12 months will recommend confirmation of Doctor of Philosophy candidature, change to a Master by Research, or a further period of conditional candidature not exceeding 6 months, or termination.
- 6.3 Candidates granted a further period of conditional enrolment will undergo a second major review at the end of this time period. No further periods of conditional enrolment will be permitted.
- 6.4 Continuation of enrolment at the end of this period will depend on overall academic progress and the completion of set activities to the satisfaction of the School / Discipline concerned. These activities will form part of a Structured Program of activities extending through the candidature.
- 6.5 Such activities will be determined by the School / Discipline through which the candidate is enrolled and in the first year must include the completion and presentation of the research proposal and other programs and skills training deemed necessary by the School / Discipline. In the case of international candidates, completion of the Integrated Bridging Program is also required, except in those cases where an exemption has been granted.
- 6.6 The research proposal must be agreed and submitted to the Adelaide Graduate Centre preferably within 3, but no later than 6, months (or half-time equivalent) from the commencement of candidature.
- 6.7 From 2015, candidates wishing to transfer to a Doctor of Philosophy must normally have undertaken 2 years of research training post Bachelor, or 1 year of research training post Honours typically resulting in the award of a Master degree in each case.
- 6.8 In addition to Academic Program Rule 6.7 above the Faculty and the University will normally only approve a transfer to the Doctor of Philosophy where:
 - a. the Major Review of Progress has been satisfactorily completed
 - b. there is evidence of research output, such as publications, refereed conference papers, scholarly works and creative arts and
 - c. a revised research proposal for the Doctor of Philosophy which can be reasonably completed in 3-4 years (less the time already spent in the Master candidature) has been provided.

- 6.9 The approval of the Dean of Graduate Studies will be required for transfer to the Doctor of Philosophy under any other circumstances.
- 6.10 A candidate who satisfies Academic Program Rules 6.7–6.8 and is permitted by the University to transfer into the Doctor of Philosophy will be deemed to have completed the Core Component of the Structured Program and the transfer will confirm candidature in the degree.

7 Remote candidature

- 7.1 Initial enrolment as a remote candidate may be permitted on academic grounds where the School / Discipline concerned can ensure the provision of external supervision, facilities and affiliation to the satisfaction of the University.
- 7.2 Unless otherwise exempted, a remote candidate will be required to complete a period(s) of residence in the University of Adelaide as determined by the University in consultation with the School / Discipline concerned.
- 7.3 Notwithstanding Academic Program Rule 7.2, a remote candidate will normally be required to undertake his / her candidature in an internal attendance mode until such time as the Core Component of the Structured Program has been completed.
- 7.4 In accordance with Academic Program Rule 4.1, a remote candidate may proceed to the degree either by full-time or half-time study.
- 7.5 On the recommendation of the School / Discipline, the University at any time may permit an enrolled candidate to enrol as a remote candidate subject to the conditions specified in Academic Program Rules 7.1, 7.2, 7.3 and 7.4 above.
- 7.6 A remote candidate may be permitted to convert to an internal mode of attendance at any time and shall be subject to the conditions normally applied.
- 7.7 Notwithstanding Academic Program Rules 7.1–7.4 above, remote candidates are also required to abide by the other Academic Program Rules and guidelines for the Degree of Doctor of Philosophy.

8 Joint candidature

- 8.1 Enrolment as a joint candidate may be permitted where a program of cooperation has been formally agreed between the University of Adelaide and another institution for jointly awarded degrees.
- 8.2 When it is proposed that the candidate spend the majority of candidature away from Adelaide, the University must approve conditions as in Academic Program Rule 7.1.

- 8.3 Upon successful completion of the work for the degree, the badges of both institutions may appear on the parchment awarded.

9 Review of academic progress

- 9.1 The University may review the progress of a candidate at any time during the program of candidature and, if the candidate's progress is unsatisfactory, may terminate the candidature.
- 9.2 A formal review of Progress and confirmation of candidature will occur 12 months after enrolment (see Academic Program Rule 6.2 above). Additional reviews will occur around October each year with written reports forwarded to the Dean of Graduate Studies. A candidate's re-enrolment in the following year is conditional upon satisfactory progress in the year of the review.

10 Absence from the University

Except for remote candidates, the University may, on the recommendation of the School / Discipline concerned, permit a candidate to pursue away from the University work connected with the research for the degree. Such permission may only be granted under special circumstances during provisional candidature.

11 Leave of absence

- 11.1 A candidate whose work is interrupted for a period of time may be granted cumulative leave by the University of up to 12 months. If an application for leave is approved, the minimum and maximum periods specified in Academic Program Rule 4.2 will be adjusted accordingly by adding the length of the approved leave.
- 11.2 In exceptional circumstances, the University may grant a candidate cumulative leave in excess of 12 months. Where a candidate is granted this exceptional leave, the University will endeavour to ensure, but cannot guarantee, that appropriate supervision and resources will be available to support the candidate on return from leave.
- 11.3 In some fields of study, time plays a critical role in the currency of the research. In such cases, the research project may no longer be current following leave and the University may not be able to secure supervision in an area where currency is compromised. Additionally, the University may not be able to accommodate an amendment to the research project. Under these circumstances, continuation of candidature may not be possible and the only options will be:
- a. withdrawal by the candidate
- or

- b. termination of candidature by the University.
- 11.4 The candidature of a student who takes leave from the University without approval will be suspended immediately, on notification of the Adelaide Graduate Centre.
- 11.5 A candidate granted leave must inform the Adelaide Graduate Centre in writing of resumption of candidature within 2 weeks of the approved date of return.
- 11.6 A candidate seeking to extend a period of leave must apply in writing for an extension of leave at least 1 week prior to the originally approved date of return.

12 Withdrawal from candidature

A student may withdraw from candidature at any time. Candidature may be reinstated at a future date without academic consequences, subject to the continuing currency of the research undertaken prior to withdrawal and the currency of the research skills of the candidate. The approval of the Head of School and the ongoing availability of appropriate supervision and resources are also required.

13 Suspension of candidature

- 13.1 Candidature may be suspended for failure to comply with any formal requirement of candidature, including:
- a. failing to abide by the responsibilities of research candidates as detailed in the Research Student Handbook
 - b. failing to undertake a required review of progress by the due date or extended due date
 - c. failing to respond to any University correspondence sent to the nominated mailing address or campus email address by the requested date of response
 - d. failing to accept reasonable offers of supervision facilitated by the University
 - e. taking leave without prior approval
 - f. failing to return from leave on the agreed date
 - g. failing to notify the Adelaide Graduate Centre of return from leave within 2 weeks of return
and
 - h. non-payment of University fees and charges.
- 13.2 Reinstatement of a suspended candidature will only be permitted with the approval of the Head of School where:
- a. the reason for the suspension has been addressed as specified in the Research Student Handbook

- b. the research undertaken prior to suspension remains current
and
- c. appropriate supervision and resources are available to support the reinstated candidature

14 Termination of candidature

14.1 Candidature may be terminated where:

- a. progress is unsatisfactory following a review of progress, whether programmed or otherwise
or
- b. candidature has been suspended for more than 12 months
or
- c. the candidate has failed to complete the core component of the structured program within 6 months or half-time equivalent of commencement
or
- d. the University at its sole discretion reserves the right to decline to appoint a supervision where to do so would not be appropriate. Without limiting this discretion above the University may consider the following in making a determination: supervisory eligibility and capacity, the quality of the research project and compliance with the responsibilities of research candidates as detailed in the Research Student Handbook.

14.2 A terminated candidature may only be reinstated following a successful appeal.

15 Extension of candidature

A candidate may be granted by the University one extension of candidature only of 12 months beyond the maximum period specified in Academic Program Rule 4. If the thesis has not been submitted by the end of the extended period the candidature will lapse.

16 Completion of thesis outside University

A candidate who has completed the equivalent of 2 years of full-time work under the control of the University, who has completed the experimental work (where appropriate) and whose progress is sufficiently well advanced to permit the satisfactory completion of the thesis outside the University, may be granted permission by the University to complete the writing-up of the thesis outside the University. If such permission is granted the candidate will be allowed either 12 months or until the end

of candidature, whichever is the lesser, to submit the thesis. If the thesis has not been submitted by the end of the writing-up period the candidature will lapse.

17 Lapsed candidature

- 17.1 Candidature shall be deemed to have lapsed on the candidature expiry date where the candidate has not submitted for examination the thesis required under Academic Program Rule 5.1.
- 17.2 A candidature, which has lapsed for not more than 12 months, may be resumed if the completed thesis, which has not departed from the field of study that was being pursued before the candidature lapsed, is subsequently submitted to the Director of the Adelaide Graduate Centre. The thesis will only be accepted for examination if the School / Discipline certifies that it is satisfactory to that School / Discipline.
- 17.3 Approval of the University is required for the resumption of a lapsed candidature under any other conditions.

18 Intention to submit thesis

A candidate shall notify the Director of the Adelaide Graduate Centre, in writing, approximately 3 months before he / she expects to submit the thesis required under Academic Program Rule 19.1. A summary of the thesis, together with the proposed thesis title and abstract, shall be submitted prior to submission of the thesis.

19 Submission and examination of the thesis

- 19.1 On completion of the approved program of study and research, a candidate shall submit a thesis for examination in accordance with the University's *Specifications for Thesis* for the current year.
- 19.2 The University recognises that a thesis may be prepared in a variety of formats that are influenced by the Discipline or field of study. Approved thesis formats are detailed in the University's *Specifications for Thesis*. Candidates should consult their supervisor(s) before selecting an appropriate format.
- 19.3 All work presented in the thesis must have been undertaken during the period of candidature; where publications are written / finalised outside of candidature, they must be based entirely on research undertaken during the period of candidature.
- 19.4 Irrespective of the format of the thesis, its content, in part or in total, must not have been accepted for any other degree in the name of the candidate at the University of Adelaide or other academic institution.

- 19.5 The Head of School / Discipline shall certify that the thesis is worthy of examination.
- 19.6 The thesis and any other material submitted shall be assessed by examiners external to the University.
- 19.7 Examiners of the Doctor of Philosophy thesis will assess whether the candidate has produced a thesis that:
- displays original and critical thought
 - is a significant contribution to knowledge
 - relates the topic of research to the broader framework of the Discipline within which it falls and
 - is clearly, accurately and cogently written and suitably illustrated and documented.

20 Appointment of examiners

- 20.1 Candidates shall have the right, prior to the commencement of the examination process, to identify people they do not wish to examine their thesis. Any such objections should be submitted to the Director of the Adelaide Graduate Centre, at the same time as the notification of intention to submit required under Academic Program Rule 18. Such objections do not serve as a veto.
- 20.2 Taking account of any objections raised under Academic Program Rule 20.1 and the recommendations of the Head of the relevant School / Discipline the University shall appoint two examiners who are external to the University. At least one examiner shall be an academic member or affiliate of a tertiary institution.
- 20.3 The candidate's supervisors shall not be eligible to act as examiners.
- 20.4 The examiners shall be requested to report in English and in such form as the University will determine and to recommend one of the alternatives listed in Academic Program Rule 21.1.
- 20.5 After consideration of the reports of the examiners, the University may appoint a third external examiner and / or an external arbitrator.

21 Examination results

- 21.1 After consideration of the reports of the examiners and such other information as it thinks fit, the University shall determine that:
- the candidate be awarded the degree unconditionally
 - or
 - the candidate be awarded the degree subject to the amendments specified in the examiners' reports
 - or

3. the candidate be not awarded the degree but be permitted to re-submit the thesis in a revised form
or
 4. the candidate be not awarded the degree of Doctor of Philosophy.
- 21.2 In the case of a thesis presented for re-examination as provided for in Academic Program Rule 21.1(3), the thesis, as far as possible, will be assessed by the original examiners.
- 21.3 A thesis submitted for re-examination must be presented in the same format as the thesis presented for the original examination
- 21.4 A thesis presented for re-examination will not be submitted for further re-examination.

22 Thesis amendments following examination

- 22.1 The time limits for revision of the thesis are:
- a. 3 months where the examination result is to award the degree subject to the amendments specified in the examiners' reports (see Academic Program Rule 21.1(2))
and
 - b. 12 months where the examination result is not to award the degree but to permit resubmission of the thesis in a revised form (see Academic Program Rule 21.1(3)).
- 22.2 Candidates who require additional time to complete revisions must apply to the Dean of Graduate Studies for permission, stating the reasons for the request. The request should be endorsed by the principal supervisor and the Head of School / Discipline or the Postgraduate Coordinator.

23 Deposit of thesis

Such number of copies of a thesis and any other material on which the degree is awarded shall be deposited in the University Library or elsewhere as determined by the University. Unless otherwise determined by the University, the copies shall be available for loan and photocopy.

24 Loan or photocopy of thesis

A candidate who does not wish to allow the thesis to be lent or photocopied when it is deposited in the Library under Academic Program Rule 23 shall make a written application to the Director of the Adelaide Graduate Centre, at the same time as he / she notifies his or her intention to submit under Academic Program Rule 18. The withholding of such permission and the period of time involved shall be determined by the University.

25 Graduation

Subject to Chapter 89 of the Statutes, candidates who have satisfied the requirements for any award of the University shall be admitted to that award.

26 Posthumous award

If a person dies after completing, or in the opinion of the University, substantially completing the requirements of the award, the University may confer the award posthumously.

27 Revoking the award

If the University is satisfied that, when the Doctorate was conferred on a person, the person

- a. did not possess the relevant qualifications,
or
- b. had not completed the necessary requirements,

the Vice-Chancellor and President with authority devolved to him / her by Council may revoke the award. Upon revocation, the person is taken never to have received the award.

28 Return of documents

If requested by the Dean of Graduate Studies, the recipient of a Doctorate must deliver to the University the documents certifying or evidencing the award.

29 General

When, in the opinion of the University, special circumstances exist, the University, on the recommendation of the relevant School / Discipline in each case, may vary any of the provisions in Academic Program Rules 1–28 above.
